

2020 Season

# Mission

- Recognized non-profit organization
- Director and coaches work with a teaching spirit to organize, facilitate and coach youth and junior volleyball in a competitive, productive and positive manner.
- Established to promote junior volleyball for the greater Tucson area.
- Our Mission is to elevate volleyball skills and empower young athletes to be their best on and off the court. By using volleyball as a platform, Redington VBC works to develop in our players: respect, accountability, character, self-discipline, personal responsibility and teamwork with values that will continue beyond the court. Not only does our club provide advanced volleyball instruction, our club aids the community to further develop young men and women of integrity. We foster a positive attitude and have fun while pursuing a highly competitive level of volleyball.

# Goals

- Provide junior athletes in any school district the opportunity to play club volleyball
- Provide youth athletes in any school district the opportunity to learn volleyball in a fun and safe environment
- Teach competitive volleyball skill and systems to enable our athletes to be competitive within their age divisions
- Provide a positive team environment that allows our athletes and teams to be identified by their exemplary sportsmanship and team work
- Maintain the long-term well-being of athletes by providing age and skill appropriate conditioning and training

# Coaching Philosophy

- Process/Performance Over Outcome
  - While we understand winning is important, we believe that teaching athletes to have winning attitudes and confidence is more important than the actual win.
  - We are concerned with the whole person/athlete. Our focus is to develop each athlete into a productive member of the team, to reinforce positive contributions and work with the athletes to overcome their negatives.
  - We want each athlete to love the game.
  - We want to develop good sportsmanship, accountability and respect.
- Each coach has a personal philosophy consistent with the club philosophy. They are focused on teaching, developing and training the athletes.

# Club Programs

- Arizona Region teams
  - Offered for 12U, 13U, 14U, 15U, 16U, 17U and 18U
  - Compete in the 6 Arizona region tournaments, hosted and scheduled by the Arizona region

Opportunity for select teams to travel out of state for national level tournaments for an additional fee

# Player Open Houses

- The Arizona Region has established an Open House Period for players and their parents to visit different clubs in an attempt to decide which club to tryout and join for the season. The Open House Period is for the player to find out the club they want to join PRIOR to tryouts. **Be dressed to play with a water bottle.** Remember that just because a club says they want you to join their club does not mean it is the right place for you. Ask questions, talk to potential coaches, watch how they interact with your player.
- Attend tryouts of the club(s) you are interested in participating with for the season.
- Once you have made a team and committed to the club by signing a contract or paying any fees, you are considered committed to the club for the entire season. Once you have committed to a club you are no longer eligible to tryout at other clubs nor are other clubs allowed to recruit you to come to their club.
- Every athlete attending open house or tryouts must be a member of USAV, have a medical release form, signed a concussion acknowledgement and Safesport acknowledgement, and have a birth certificate on file.

# What to Expect at Open Houses

- Check in at least 15 minutes prior to start time
- The coaching staff will conduct drills and practices
  - Meet the coach
  - See how we practice
  - Check out the RVC culture
- Admin staff will be available for questions
  - Ask about the contract (available on the website)
  - Ask about each coach and the philosophy
  - Ask about policies and expectations (available on the website)

# Athlete Evaluations/Tryouts

**Please bring the 5 following items with you to all Open Houses and Tryouts (forms are available on the RVC Website at [www.redingtonvolleyball.com](http://www.redingtonvolleyball.com))**

- 2020 USA Volleyball Membership card by joining USAV
- 2020 Player Medical Release Form
- 2020 USAV Safesport Acknowledgement Form
- 2020 Concussion Acknowledgement Form
- Parents and players must read age appropriate (ages 11-13 or ages 14-18) concussion fact sheets and parent fact sheet before they sign the 2020 Concussion Acknowledgement Form
- Copy of your daughter's birth certificate

***Parents need to be available at the end of tryouts at 930am. If your athlete is selected for a team, you need to sign some forms and make an initial payment. The athletes will also need to try on uniforms for size.***

***Please read the Club Policies on the website before tryouts***

- All forms are on the RVC website [www.redingtonvolleyball.com](http://www.redingtonvolleyball.com)

# What to Expect at Tryouts
